

HR ATTRITION DASHBOARD

A demographic report summarizes employee statistics, including age groups, gender, distance from home, and marital status, providing insights into workforce diversity and commuting patterns for informed decision-making.

A turnover analysis II report consolidates employee data, featuring attrition by job level, overtime performance ratings, monthly income and attrition increase levels offering critical insights for effective HR strategies and decision-making.

The turnover Analysis I report provides insights into employee attrition, including departures by department, job roles affected, business travel impact and total years in the current role, aiding workforce management and retention strategies.

An Employee Wellness report gives insights into employee job satisfaction featuring attrition by environment satisfaction, job involvement, relationship satisfaction, performance rating, job satisfaction and work life balance.
